Title: Excerpt from "The Vampiric Legacy"

Author: Unknown

Entered: 6/29/1999
Subject: Races/Groups

Some vampires speak
of a mythic state of
enlightenment called
Golconda in which the
forces of instinct and
self-control are in
harmony. The vampire
learns to accept what
he has become, and
thereby gains control of
the Beast within. Those
who still belive such
stories speak of how
those who achieve this
state are freed from
Caine`s curse, no
longer forced to lin on
the blood of the living.
